Western Birds

Renew for 6 issues at \$150 - Get 3 back issues free

Renew for 12 issues at \$270 - Get 6 back issues free

Renew for 18 issues at \$375 - Get 9 back issues free

A complete list of back issues is included with this subscription form so you can choose some back issues you may have missed or those published before you were a subscriber. The list gives a brief written description of what areas were covered in the newsletter, along with details of all the other stories and news covered for each issue. There's a spot on this form where you can fill in which back issues you'd like to receive when you renew. Or, as usual, you can just call and I can take the information over the phone and we can catch up.
